Auras:How To See Auras And Understand Their Meanings (Auras, Chakras, Empath, Twin Flames Book 1)

Synopsis

An aura is a halo of energy that surrounds the body of a living being. This can be anything from animals, to plants, to of course, humans. You have an aura, and so does every other person in the world. You sense these already, even if you may not be aware of it. You have probably noticed that around certain people, you feel good seemingly without effort. You might also have noticed, in the past, that certain people make you feel drained or negative. This is because of what is in their aura. Although we are all constantly affected by this and reading these phenomena subconsciously, it helps to become more knowledgeable on the subject in order to truly make use of it. This book will help you learn all about auras and different ways to see them, protect yours, and decipher their meanings. What You Will Learn How to see auras What the color of auras mean How to cleanse and protect your aura And much much more

Customer Reviews

This book will enable you to take in about atmospheres and diverse approaches to see them, secure yours, and interpret their implications. A quality is a radiance of vitality that encompasses the

body of a living being. This can be anything from creatures, to plants, to obviously, people. You have a quality, thus does each other individual on the planet. You sense these officially, regardless of the possibility that you may not know about it. You have presumably seen that around specific individuals, you feel great apparently without exertion. You may likewise have seen, previously, that specific individuals make you feel depleted or negative. This is a direct result of what is in their atmosphere. In spite of the fact that we are all always influenced by this and perusing these marvels subliminally, it turns out to be more proficient regarding the matter keeping in mind the end goal to genuinely make utilization of it. This will likewise manage you on the best way to can secure your auras and this will enable you too on how you to will interface with various sort of individuals and their identities.

This is an informative book. This book will help you learn all about auras and different ways to see them, protect yours, and decipher their meanings. I hope this book is able to help you very much.

I enjoyed the fact that this book goes into greater detail of the specific aura colors than anything else I've read on the subject. There were a few things in here I already knew, such as the methods of learning to see auras and some of the protective measures to keep your aura cleared of negativity. It was a good read none the less.

Excellent book will read it again for references in the future! I love the extras that is in the book also I have learned a lot.

Really helpful and insightful for a person like myself who isn't really familiar with the subject. I am an energy person, and believe in channeling both good and bad energy, and turning all of it into a positive. He put things all into a really easy to understand guide, and focused on the positives, and the health factor that comes into play.

If you want to know more about Auras and Chakras, this book will provide you with everything you need to know. From being able to see an aura to its different colors and their meanings. I have learned that aura is a reflection of our emotions and spirits. And it varies from one person to another. Really good read!

This is interesting book subject to learn. Aura is about alone time to think, to reflect and to relax. I

learned so much from this book. My color is RED that really reflects about the real me like seeking adventure and very positive in life. You should invest time in reading this book because you would really learn a lot from it.

Love it, very interesting material indeed,,,,,,,,,,,,,
