Fondue is one of my favorites. Always looking for new recipes

I have recently been trying some fondue recipes. I couldn't find many, so I ordered these books. So far, I have liked all I have tried.

Great Recipes. Can't wait to try them all!

this was really excellent

I just received this book after wanting it for a couple of years. The recipes appear to be fairly

refreshing and not too much of what I would call "frou-frou" type of recipes. I like the salad suggestions as well.

This book contains some good ideas for different kinds of fondue. The only thing that is lacking are fondue recipes in which the food does not cook in oil. I have a few recipes of my own in which the meat is cooked in broth and was looking forward to finding out more.

Just reentered the fondue world and the recipes are terrific. It's more than cheese and chocolate.
