What to make when you are sick of your standard chicken dishes. Delicious and easy!

We don't eat a lot of red meat or fish, so this is perfect for us. I like this series, but some of the Taco Night etc ones are just not for us. I think if you want to eat healthier but still have protein, you should get this and you can have chicken 2-3 nights per week and not have it feel repetitive.

I have fixed 5 recipes so far and 4 of them are now regulars in our household. I am currently shopping for another cookbook by this author.
