A Pug's Guide To Etiquette

Synopsis

Pugs play by their own set of rules. When you want them to sit, they stand; when you want them to stay, they go; and when you want them to stop eating that unidentified item on the floor, well... Traditional schools of canine thought put this behavior down to a stubborn refusal to be trained that's inherent in the breed. Not so. This behaviour is, in fact, down to an ancient set of rules, passed down from pug generation to pug generation. A Pug's Guide to Etiquette attempts to explain these rules, thereby advancing pug-human relations to hitherto unprecedented heights.

Book Information

Customer Reviews

Gemma Correll is a freelance illustrator and comic-making person. She currently lives with her trusty sidekick pugs Mr Norman Pickles and Bella. Visit her website at www.gemmacorrell.com The author is based in Norwich, UK.

Goofy book that I purchased for my mother. She couldn't stop laughing and giggling as she went through it. Great gift for the pug lover in your life.

Such a cute and clever book. I gave this as a gift to my pug loving girlfriend and she laughed the entire way reading it.

This book is adorable and totally captures the essence that is the Pug. My dog does every single

one of these things, and makes me want to hug my dog so bad. Unfortunately, she is in Maryland at the moment, but this book puts a smile on my face. The illustrations are spot on and show the amazingness that is the Pug. Great book for all Pug lovers.

If you love pugs, you'll love this book. A fast delightful read.

Love, love, love this! I'm a pug mama and this was definitely written by a fellow pug lover! Cute and the illustrations are great too!

Very cute. I really enjoyed it

Great reading for every Pug owner!

This book is great for pug lovers. The contents of the book are so cute and accurate. I put it on my coffee table for my guests to read and it also looks good as a decor piece. I also bought this book preowned for \$3.00 and it looks new so I'm very happy.
