The Trial Of Anne Hutchinson: Liberty, Law, And Intolerance In Puritan New England (Reacting To The Past)

Synopsis

Part of the Reacting to the Past series, *The Trial of Anne Hutchinson* breathes life into a pivotal moment for religious tolerance in American history. *The Trial of Anne Hutchinson* re-creates one of the most tumultuous and significant episodes in early American history: the struggle between the followers and allies of John Winthrop, governor of the Massachusetts Bay Colony, and those of Anne Hutchinson, a strong-willed and brilliant religious dissenter. The controversy pushed Massachusetts to the brink of collapse and spurred a significant exodus. The Puritans who founded Massachusetts were poised between the Middle Ages and the modern world, and in many ways, they helped to bring the modern world into being. *The Trial of Anne Hutchinson* plunges participants into a religious world that will be unfamiliar to many of them. Yet the Puritans' passionate struggles over how far they could tolerate a diversity of religious opinions in a colony committed to religious unity were part of a larger historical process that led to religious freedom and the modern concept of separation of church and state. Their vehement commitment to their liberties and fears about the many threats these faced were passed down to the American Revolution and beyond. *Reacting to the Past* is a series of historical role-playing games that explore important ideas by re-creating the contexts that shaped them. Students are assigned roles, informed by classic texts, set in particular moments of intellectual and social ferment. An award-winning active-learning pedagogy, *Reacting to the Past* improves speaking, writing, and leadership skills, promotes engagement with classic texts and history, and builds learning communities. *Reacting* can be used across the curriculum, from the first-year general education class to capstone experiences. A *Reacting* game can also function as the discussion component of lecture classes, or it can be enlisted for intersession courses, honors programs, and other specialized curricular purposes.

Customer Reviews

• Reacting to the Past is the most absorbing and engaging teaching I have ever done. . . . Students engage each other with a passion I have rarely seen in a classroom. • - Elizabeth Robertson, Drake University
• Combines the student instinct for competitive gaming with the academic values of critical thinking and persuasive speaking. • - Craig Caldwell, Appalachian State University
• It is one of the best ways I know of engaging students in great books and significant moments in history. • - Larry Carver, University of Texas at Austin

Michael P. Winship is E. Merton Coulter Professor of History at the University of Georgia. Winship is the author of the highly acclaimed *Making Heretics: Militant Protestantism and Free Grace in Massachusetts, 1636-1641*, the definitive study of Hutchinson and the controversies around her, as well as a briefer version of the episode, *The Times and Trials of Anne Hutchinson: Puritans Divided*. Mark C. Carnes is professor of history at Barnard College and creator of *Reacting to the Past*. He is the author of many books in American history and general editor of the 26-volume *American National Biography*, published by the ACLS and Oxford University Press.

Interesting book, helpful to go through the trial game.

I had to get this book for a writing seminar I'm taking at Berea College. It's a really interesting book and the game is interesting, as well. The debates have gotten pretty heated, though. I had no idea about Anne Hutchinson before I took this class. Everyone should at least know who she is.

Good price for the book; received book within a short time of ordering. Always a plus when classes have already started!
