The Doll Scene: An International Collection Of Crazy, Cool, Custom-Designed Dolls

Synopsis

The Doll Scene features hundreds of custom-created dolls by the hands of some of the best artists worldwide using mainly original Blythe, Pullip, Ball Jointed Dolls, Dal, or Monster High dolls as "raw material" to generate their lovely and stunning characters. These dolls have an oversized heads and large eyes that change colors! Changing everything from the original serialized doll - hair, makeup, reshaping faces, adding new eyelashes, eyelids and clothing - the artists featured in The Doll Scene create some truly amazing figures.

"Embrace your inner doll with Louis Bou's The Doll Scene. Straddling the cute/creepy threshold with pictures of hundreds of custom designed dolls, this book is hard to look away from." - Campus Circle

Louis Bou (Barcelona) is a graphic designer, art director, editor, book author and photographer specializing in contemporary fashion, and the director of his own studio in Madrid, Spain. Working in the publishing world more than a decade from now, he is the author of more than 30 books about graphic design, photography, illustration, street art, toys and fashion. Some of his books have become real best sellers, such as *We are Paper Toys!*, *Street Art: The spray Files*, *NYC-BCN: Street Art revolution*, *Street T*, *Windows of The World* and *Couture Hats*, published by Harper Collins Design, selling together more than 100,000 copies worldwide. He has worked for some other

publishing houses like GraphicSha and BNN in Japan, Pageone and Basheer Graphics in Asia, Monsa Publications, Loft Publications and Mao Mao in Europe, just to mention a few. In 2012 he decided to jump on his own career opening his own studio of photography and publishing Mista Studio by Louis Bou in Madrid, where he works for publishers and magazines worldwide. He also works as a photographer for models and actors agencies. Bou has also ventured himself into the world of video-clip filming and directing his first music video for the Spanish pop band called Alivem. He is now preparing his first feature film.

A google search would lead you to believe this book mostly contains blythes, but it has examples of many types of dolls from many artists - some that I know from deviantart or other doll magazines. These photos range from adorable, to spooky, to a few that are just plain ugly. If you like fashion dolls, blythes, pullips, bjd's, or just dolls in general, you should get this book.

This book is super cool as a blythe dolls fan and as an art fan this book is full with pictures of very Inspiringpictures of dolls. i just love this book.

Very nice book. Pictures are printed on high quality papers with very bright color.

This book is so beautiful...I'm going to buy another one just so that I can tear out and frame some of the photos...

Very nice.

Very inspiring for any creative dollmaker.

The creativity here is amazing. It is now a wonderful coffee table book (since my coffee table is small anyway). I do wish they included a few American Artists but I imagine it's difficult getting a book together like that anyway. Something for them to ponder so they can make another book!

fantasy bookÃ A Â Every very like it.
