Customer Reviews

I got this book for my cousin, because she was saying how she was wanting to become a flight attendant. She read it and loved it; she told me it was a great gift and the book answered all her questions. After she read it, I decided to give it a read and I was surprised by all the information this

book provided. I definitely see why my cousin liked it, the book is very well outlined and cuts straight to the point. I would get this if you are curious about this profession or eager to get into it, because this book will teach you everything that you need to know. This is a quality resource and you won't be the least bit disappointed!

good
