It was a good book

I liked this book. Good recipes. It is a healthy way to lose weight not feeling tired but full of energy. Juicing is great way to trick your kids if you want them to eat something what they normally don't eat, like vegetables!! :)

Great book! Very informative.

Great book

What I like most about this book was the juice titles. LOL! They makes me smile. And it's much more easier to distinguish which is which you need best. Like the hangover juice, wrinkle juice, wake up call juice and lots more! Not only that, ingredients are easy to find and they are easy to prepare. Come on! Let's go Juicing!

Easy to follow and everyone that I have tried have been very good!
