The Standard Pilot Log (Burgundy): ASA-SP-40 (Standard Pilot Logbooks)

Synopsis

The finest and most versatile logbooks for aviators. ASA's logbooks have been "The Standard" of the industry for over 30 years and comply with the FAA's recordkeeping requirements. With so many options, there is a logbook that's right for you. Versatile, easy-to-use and flexible enough to fit any pilot's needs, student or ATP.

Customer Reviews

I just started flying lessons and this is just what I needed. I am so glad I was able to find this on and I didn't have to go to a pilot store to get. The price was great!

I'm working on my private pilot license. Exactly the book you need to log your flights. The color is exactly as pictured. Very durable.

Good deal. This one has more pages than my previous one and costs less. Bought this one for my wife to begin flight training. The red color will keep it from getting mixed up with my black log books.

The logbook itself is good. It came, however, with a ugly white sticky label that says PILOTS HQ.COM across the front that ruins the look of the book. It's really difficult to get off.

Not much to say. It's the same log I've been using for 20 years and perfectly adequate for my flying. When this ones full I'll buy another!

Perfect for what I needed. Shipped super fast!

Nice and compact and consciense

nicely laid out log book
