Maggie Chow or Chef Maggie Chow as she likes to be called. Is the author and creator of your favorite Easy Cookbooks and The Effortless Chef Series. Maggie is a lover all things related to food. Interestingly she is a vegetarian and prefers to avoid meat. So rest assured that her veggie based recipes will be delicious! But don't worry because she is master of cooking savory and delicious meat based meals as well. Maggie loves nothing more than finding new recipes, trying them out, and then making them her own, by adding or removing ingredients, tweaking cooking times, and anything to make the recipe not only taste better, but be easier to cook. Check out Maggie's Facebook, Twitter, and her blog and be sure to like and subscribe!

Sometimes I get bored with cooking the same things. I like to change my food to keep it interesting. This book helps to give me ideas for dinner time meals

Love them all so easy to make,

I enjoy new recipes for my family. I have a couple of children that are picky eats just as their mother. Thanks for any new ideas. I like to try new ideas as often as possible.

Easy recipes, and I found at least six recipes that I've bookmarked and plan to make. I'd recommend this one.

Recipes are nice but the book does not look very professional. It seems like whoever designed it didn't put a lot of effort into making it look like a "real book", sort of looks like they copy-pasted it from the e-book.

Anything pasta gets my attention ! This was a nice cookbook, with lots of recipes that I will be trying !

Very good recipes if you like pasta, which I did at the time I ordered the book.

Great little cookbook. Perfect for an on-the-go college student.
