The photos make me want to try everything in the book. I Have Pasta Night, Pizza Night and

Chicken Night , and have already pre-ordered Burger Night. YUM. It certainly makes my dinner planning easier. I like this entire set because these recipes are what real people eat. I own about 600 cookbooks, but most are just for entertainment. This one is for cooking real meals.

A good collection of different pasta recipes. We are working our way through the seafood ones. Kate adds a recipe and slightly different procedure for making your own pasta. She makes use of multiple passes through the sheeter (paster rollers settings). We liked the results using Kate's method.

Great and easy recipes for a cook with not-to-much money.
