# Love And Other Pranks

## Synopsis

"May be the single wildest novel I've ever read. It rings the cosmic gong on so many levels, turns so many stereotypes inside out, one scarcely knows what to do but hold on and enjoy the ride. And enjoy it I did." —TOM ROBBINS Acclaimed for his surreal, satirical vision and his consistently dazzling • (Kirkus Reviews) writing style, cult favorite Tony Vigorito stretches the boundaries of storytelling beyond all limits with his long-awaited third novel. A quest to find the treasure of all treasures launches this swashbuckling tale of romance and high adventure across three centuries and takes you on a hilarious and visionary journey that includes lovers, pirates, bank robbers, treasure maps, yoga cults, love potions, assassins, con artists, quicksand, smugglers, and rock-paper-scissors. Welcome to the incomparable imagination • (Minneapolis Books Examiner) of a Tony Vigorito novel. And beware the meadow of marvels... "A masterful story..." —Seattle Book Review

## Customer Reviews

"Opening with a satire of the Adam and Eve story, this book moves seamlessly back and forth between eighteenth century Caribbean pirates with a treasure map and twenty-first century San Franciscans contending with a false New Age prophet. The author controls these seemingly disparate scenarios with humor and panache, creating such memorable characters as a guardian parrot, a bumbling True Believer, and a herd of cowbell wearing bison somehow relocated to a tropical island. This is a deeply original and satisfying book." --Booklife  
"May be the single wildest novel I've ever read. It rings the cosmic gong on so many levels, turns so many stereotypes

inside out, one scarcely knows what to do but hold on and enjoy the ride. And enjoy it I did." --TOM ROBBINS

"Tony Vigorito masterfully weaves together an infinitely looped tale of love, pirates, and wittiness that delights and mesmerizes from the very first page... This novel will satisfy any reader..." --San Francisco Book Review

"A work of great imagination... Will entice and have readers utterly enthralled. The writing is crisp and impeccable... Absorbing, intense, and intoxicating..." --Manhattan Book Review

"Stylish and surreal... A wild ride... Impossible to put down... A novel that can be parsed several times to uncover new meaning... A must-read." --Foreword Reviews

"A dazzling dreamwalk... A masterful story... Highly recommended if you want a book that makes you think and that presents deep and thoughtful questions couched in wry humor so as to not overwhelm." --Seattle Book Review

"What helps to set the story apart from similar fare are the nuanced, often unexpected villains, animals, and Biblical allusions along the way. A boy-meets-girl tale that veers into strange avenues and offers a maelstrom of love-struck possibilities." --Kirkus Reviews

"Love and Other Pranks is, if anything, original... Excels in the absurd and the hilarious, which shine brightly in his dialogue, scene set-ups, and characters." --Portland Book Review

"A wisdom-wielding, gut-laugh-inciting, ribbon-twisting, lust-spurring, thought-bending, all-out adventure. When listing the great smiling American prophets -- Twain, Robbins, Vonnegut, and Moore -- Vigorito lands near the top!" --OWEN EGERTON, author of several novels including *The Book of Harold*

"Love and Other Pranks may be the single wildest novel I've ever read. It rings the cosmic gong on so many levels, turns so many stereotypes inside out, one scarcely knows what to do but hold on and enjoy the ride. And enjoy it I did." --TOM ROBBINS

"One of the best novels I have ever been fortunate enough to read... Delights and mesmerizes from the very first page... I highly recommend this to everyone." --San Francisco Book Review

"Stylish and surreal | A wild ride | Impossible to put down | A novel that can be parsed several times to uncover new meaning, Love and Other Pranks is a must-read." --Foreword Reviews

"A dazzling dreamwalk | Quirky and witty | A masterful story | Highly recommended if you want a book that makes you think and that presents deep and thoughtful questions couched in wry humor so as to not overwhelm." --Seattle Book Review

"Opening with a satire of the Adam and Eve story, this book moves seamlessly back and forth between eighteenth century Caribbean pirates with a treasure map and twenty-first century San Franciscans contending with a false New Age prophet. The author controls these seemingly disparate scenarios with humor and panache, creating such memorable characters as a guardian parrot, a bumbling True Believer, and a herd of cowbell wearing bison somehow relocated to a tropical island. This is a deeply original and satisfying book." --BookLife

"A unique, dazzling novel that breaks the conventional rules of

storytelling... ââ "A work of great imaginationâ | Will entice and have readers utterly enthralled. The writing is crisp and impeccable... Absorbing, intense, and intoxicatingâ |" â "Manhattan Book Review  
Â "Hot damn, Tony Vigorito is a marvel! Love and Other Pranks is a wisdom-wielding, gut-laugh-inciting, ribbon-twisting, lust-spurring, thought-bending all-out adventure. When listing the great smiling American prophets â Twain, Robbins, Vonnegut, and Moore â Vigorito lands near the top!" â OWEN EGERTON, author of several novels including The Book of Harold, and writer/director of the thriller Follow  
Â "Love and Other Pranks is, if anything, originalâ | Thereâ<sup>TM</sup>s adventure and romance on every page. What is more, Vigorito has a unique voiceâ | His writing style bears many similarities to the late Terry Pratchett â " mostly when it comes to the humorous flourish in his work... Excels in the absurd and the hilarious, which shine brightly in his dialogue, scene set-ups, and characters." â "Portland Book Review

Tony Vigorito is the author of the award-winning and critically-acclaimed underground hits, Just a Couple of Days, Nine Kinds of Naked, and Love and Other Pranks. He lives in the San Francisco Bay Area. Visit [TonyVigorito.com](http://TonyVigorito.com) to read his numerous essays as well as extended samples from all of his books. You may also follow him via facebook [@tonyvigorito.writer](https://www.facebook.com/tonyvigorito.writer), and instagram or twitter [@tonyvigorito](https://www.instagram.com/tonyvigorito)

Not everyday, you come across a book that takes the reader on journey from the beginning of time to the present in such away that leaves you in awe of its writing, style, and choice of words. Page after page I am just blown away by the language and the concepts revealed therein. And if the Mobius band on the cover is any indication, let it be known that you yourself will go along this journey and emerge on the same side, but not the same. A truly wild ride, as Tom Robbins says, and what a ride it is....I can only say WOW! without any doubt this is on of the top 3 novels I have ever read, and there is many and I mean many of them...So do yourself a favor and just buy this book, sit back open your mind, and enjoy being inspired, provoked, rattled, and laugh out loud uncontrollably as I did so so many times...:)

Easily Vigorito's best novel so far. It's full of hip characters, plot twists and plenty of philosophical wisdom to mull over. It tells the story of two couples -- one in the age of piracy and one modern -- (or is it one couple living different lives?) and romps all over the Spanish Main and San Francisco, with a cast that includes a mad former British admiral bent on revenge, a treasure map, a whacked-out band of yoga freaks and their con-artist guru. Oh, and nectar.

Like his two previous novels, this one provided much reading pleasure. It is so refreshing to find a current writer who evokes the Tom Robbins style, with a twist of his own. I love the unique use of language. The story(stories) is(are) clever and rollicking but with a deeper message. Life is but a dream, after all.

Regardless of how you ended up examining this book listing, you should do yourself a favor and add it to your cart right now. No questions asked. Buy!

Once again, Vigorito has given us a wild and magical journey! He constructs a fabulous story of love through the ages with the finesse of a master! Fun, funny, and real!

Those of you looking for a run of the mill novel that is easily forgettable once the book is placed back upon the bookshelf should probably avoid reading this novel. Not only does this story grab you by the philosophical seat of your pants, It holds on for dear life until the last word is read and you are left with stitches in your gut from laughing so hard. As in Tony's previous works, ( Nine kinds of Naked and Just a couple of Days), he shows us again what a master of dialogue he is. This book is worth every second spent reading it, although It is quite possible that once started you may find yourself missing a day because you were unable to put the book down. I can't even begin to imagine what Tony has in store for us next and that is the joy of a Vigorito novel.

WOW!

Crazy stuff. Great use of language and exciting plot twists and turns. The characters are well developed and unique.
