The Burned Out Old Broads IV: Murder At Meadow Lakes

Synopsis

Perculator Rasmussen lay face-down, spread-eagled on the dining room floor of Meadow Lakes Retirement Community. The back of his head was smashed in, his throat was cut, a nylon cord was around his neck. There was a bullet hole in his jacket and a knife in his back. "Are we sure he's dead?" Mary Rose McGill asked. "I wish he wasn't. He'd better have damn good insurance."

Customer Reviews

this is one of shorter stories, but I loved every minute of it. I have recommended these books to all my female friends, because there is some moment in every ones life that they can relate to.

It is just as good as the others. The suspense is always high. Worth your time to read. Very good!

Wonderful book that any burned out old broad could relate to lol

Fun book like the fore-runners.

This is the fourth book of the Burned Out Old Broads series, and like the first three, I found it very entertaining. If you want a good laugh, these are the books for you.

I love all of the BOOB Girl books Joy Johnson is a real delight to read! From the first book I was hooked and hope for many more.
