Meal Prep: A Easier Way To Live Healthier (Louis Laurent Cookbooks) (Volume 3)

Synopsis

Meal Prepping is the answer to modern life, enjoy the benefits today! Meal prepping isn't anything new. People all around the world have realised the benefits and potential meal prepping can bring to some degree or another, but it has only been recently where more and more people are using this eating method in more versatile and creative ways. It's not just for people who don't have time to cook, but for those who can benefit from the degree of control and planning needed to make meal prepping a success. Do you have a strict diet you need to stick to for medical reasons or personal health goals you want to achieve? Do you live a hectic life that forces you to eat out a lot, but would much prefer eating home cooked meals? Have you been promising yourself you'll be eating healthy, but to realise you always forget when it's already too late? Meal prepping can solve all these issues easily as the very essence of meal prepping is to prepare and plan your eating before you need to eat. This reduces your chances of making mistakes and falling into bad eating habits. It also saves you time and money! This book will take you through the basics of how to get started with meal prepping, learn how to: - Properly store your fresh produce - Properly store your dry goods - Safely prep poultry, meat and seafood for meal prepping - Safely store and reheat your for optimal taste, freshness and hygiene based on cooking methods - Tips to make meal prepping a success that meets your personal needs - Cooking rules that will make meal prepping easy every time - Delicious recipes perfect for meal prepping beginners

Customer Reviews

This is a very essential guide. This book discussed the benefits of planning in advance the meal that

would be prepared to save time and cost. It also provides you healthy, clean and tasty food that you and your family can enjoy. There are techniques as well as recipes that can be used to prepare delicious and nutritious meals in one setting, saving time and energy from cooking every day.

Daily night my last question to my hubby will be "What to cook tomorrow".. not only me almost all working mom's will have this regular question. But after reading this book I could able to plan things before a week itself. Yes this book as helped me a lot in planning . I hav made a time table based on that am cooking. Also it has nutritious menu which takes care both health and out pocket ;). Yes !!!!Also storage part, they are advising what are all the foods you can prepare and use it for a week or a month. So no worries, go get this book and be a Wonder mom. Happy Cooking Totally recommend.

I'm a big planner and Louis Laurent put together a great guide for how to prep for your meals. Great rules that help you to stay on track with your meal planning and makes it easy to follow through. I really enjoyed the recipes and tried the Balsamic and Cranberry Chicken, which was absolutely delicious, easy to follow and a hit by my whole family. Thanks for a great book!

Meal prepping is an absolute must, in my opinion, It makes life so much easier and keeps you on track. If you're trying to eat healthier and cleaner, buy this book! Preparation is the key to success in the weight loss arena and this book taught me how to get prepared! A lots of tips are given in this book that can be adjusted to fit you and your family. This is meant to make life easier and healthier.

There are many of us foodies lovers and always wants innovative variety of food and meal dishes. So meal prep is a book which contain more variety of meal recipes which cannot disturb your weight but in-fact it can help in lowering your weight. As we know clean eating is essential for health and diet then this book offers a clean eating.

Meal prep is one of the author's best recommended book which can help you in resolving your issues regarding your health. Form this book you will learn the basics of meal prepping and about storing process of goods and fresh produce. I really find this book throughout beneficial and full of delicious variety. .

Healthy and tasty recipes... Preparing meals for my family can be difficult when you

running out of ideas especially when you are considering healthy and tasty dishes. With this Meal Prep, it includes basic and new ideas on how to help you prepare your meals in a quick and easy manner and utilizing ingredients. A good meal prep recipe to add to my collection.

Meal prep is an amazing book for people like me who aren't master chefs. There was a time when I could hardly prepare a decent salad but now you ask me for a three course meal and I'll be game for it. The step by step instructions with interesting illustrations make it all the more easy to follow.
