Amigurumi Circus: Crochet Seriously Cute Circus Characters

Synopsis

Amigurumipatterns.net collects the most beautiful crochet patterns from all over the world on one website. Each year we organize a competition for designers. The originality and quality of all entries put a smile on our face, and hopefully this selection will do the same to you, your family and friends! A little bird being catapulted out of a cannon will have you on the edge of your seat, while the piglet with exceptional balancing skill will have everyone mesmerized. Meanwhile, Loyal the Ringmaster makes sure everything runs smoothly. Pick any of these cheerful and charming artists from our line-up and crochet your own circus! Step by step you will learn to crochet 13 characters by 11 crochet designers. Are you a little inexperienced with amigurumi crochet? Don't worry: on the introductory pages we explain all necessary stitches to help get you started.

Joke Vermeiren started collecting patterns on amigurumipatterns.net and compiled this book with care. She enjoys picking up a crochet hook on a quiet winter evening.

There are several beautiful patterns to make. The parrot, hippo, and the magic bunny are seriously cute. There are also a few I'll be skipping like the ringmaster and juggler however. The patterns are easy enough to follow, though I find myself needing to buy some extra supplies beyond yarn and stuffing I've never needed to use before like florists wire, eyelashes, and bamboo skewers.

Easy to follow, detailed photos are project saver. All patterns are cute and well designed. Maybe the

best book of the series. You can find detailed description for the beginners but patterns are little bit difficult for beginner's, only one or two pattern for this level. You can try because descriptions are detailed enough.

So much fun! All the projects turn out just as pictured & all projects are unique & detailed but not very difficult.

So cute, I could just look at the pictures. (The patterns are very easy to follow)

This book has so many cute patterns. I will say that my skill level will be challenged with some of these patterns. I look forward to making all of these patterns.

Excellent

This is the cutest thing ever!

It's a great book !!!
