## Customer Reviews

I've read many translations of this ancient text but Mitchell's is by far the best. (James Frey, author of A Million Little Pieces)

I'm a practitioner and teacher of Tai Chi for over 38 years. No English translation of the Tao Te Ching is as good as Stephen Mitchell's alliteration. It is a wonderful guide book on how to live your life and an inspiration on how to follow the "Way." I heartily recommend this to anyone seeking wisdom and knowledge during these stressful times.

I thoroughly enjoy Stephen Mitchell's rendition of the I Ching. I'm not a scholar, just a person seeking ancient wisdom in modern form.

One of the most beautiful books I have ever read. The essence of the teachings resonate in the heart. Simple yet powerful. Short yet profound. A masterpiece.

The Tao is the source. Imitated by plenty I'm sure. Everyone should read this book. Especially the translation by Stephen Mitchell. Thanks Stephen

this is indispensable reading for any one who needs to understand reality from a point of view outside the "box" of my small thoughts. I find it really pushes my understanding to accept another, larger, view of the world I am compelled to live in. If I need to live here, best to understand it more. Read it, over time, you'll come to love it

I read it over and over and over. This is by far my favorite translation. I am grateful for its wisdom.

I've had other translations that were better. Not impressed.

Wisdom and very down to earth.
