Hard Tide: A Sea Adventure (Florida Coast Adventures Book 1)

Synopsis

When his father disappears in a freak boating accident, something smells fishy to ex-marine Billy Ryder. Now, after two decades away, Billy has come back to Pleasantville, Florida, a town whose surf is only rivaled by its share of sun. Only Pleasantville isn't how he remembers it. A local gang has taken over the small fishing village and has scared the locals into submission, and worse, they just may have killed his dad for trying to stop them. Now, if Billy wants to bring them to justice, he'll have to do something he hasn't done since his mother died. Step back on a boat. That's okay though because after six tours in Iraq, Billy is really good at rooting out evil. And Pleasantville has a whole lot of evil. Book 2: Tidal Wave (ASIN: B072W8J7RL) is now available for only \$2.99! (Author's Note: If you're looking for a lazy slice of life Florida book don't buy this. If you want guns, guts, and action in the vein of Clive Cussler that takes place along the Florida Coast, buy this book.)

Customer Reviews

Full of action. Gang members, bombs, bullets, knives, sledge hammers. Ex marine trying hard to find his missing father. Read it - enjoy it. First in a series of two books - so far.

Lots of violence with drug gang . Fast moving although not clear what is really going on until the very end. Some sailing in rough seas at night.

Not too bad. The boat scenario makes it entertaining. Just a little slow. Good read though.

A little bit more character development would have gone along way. However, this was a fun read with a satisfying if predictable finish.

Decent reading but now that well written, seemed to be a bit amateurish.

FL beach book. Diving, fishing drama.

Easy reading - a bit far fetched in terms of invincibility

Fast paced and terrific ending.
