Customer Reviews

Was hoping for something having simple recipes. Good cookbook but not if you are looking for anything simple and quick. More "the Martha Stewart" of Griddling than I'm a busy Mom or I'm camping out griddling. Most recipes require too many ingredients IMO

Just about same as received with the Griddler so what's the need to have a duplication according to my wife

Pretty disappointed in this book. Nothing special

Good ideas for my new Griddler

Found new and convenient ways to cook up some chicken meals.

Great item.

EVERYTHING AS EXPECTED.

I was hoping it would have more instructions for the latest Cuisinart griddle that I just bought.
