Tort Law: Concepts And Applications

Synopsis

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Tort Law Concepts and Applications, 2e provides the most comprehensive coverage of substantive American tort law available. This edition features two chapters devoted to intentional torts, two chapters devoted to negligence, and references to the latest cases and statutes. To help students develop in-demand paralegal skills, there are extensive end-of-chapter exercises, online video cases, and an entire chapter devoted to tort practice and applications.

Customer Reviews

Good read and very easy to comprehend! Easy for self teaching!

The book arrived on time and was practically new.

I bought it for a friend. He said it was great and was learning a lot from the book.

Great product.
