# Tort Law For Paralegals, Fourth Edition (Aspen College)

## Synopsis

Here is broad coverage of all the key topics in tort law that paralegals need to know, written in an engaging style with plenty of examples and illustrations. With an understanding of how law firms function in the real world, students develop practical skills--assessing cases for settlement value, investigating claims, billing hours, evaluating insurance policies, and more. One hypothetical case runs through Tort Law for Paralegals, providing a coherent framework for illustrating a multitude of topics. Forms and court documents relevant to this case are included in the appendix. A well-developed pedagogy features chapter objectives; "Issue at a Glance" boxes that summarize important legal concepts; marginal definitions; a wealth of figures, tables, and diagrams; Key Terms, Review Questions, and "Applying What You Have Learned" exercises; case excerpts; and features that prepare students for their jobs such as "Skills You Need in the Real World", "Life of a Paralegal", and a list of Web sites for gathering more information. Ethical issues are highlighted, with a separate section on ethics at the end of each chapter. The Fourth Edition, thoroughly updated with changes in the law, presents new Tech Topics in each chapter that highlight new technological applications in tort law. Additional case excerpts have been added to the end of each chapter as well as crossword puzzles for review. Features: broad coverage of all key topics in tort law relevant to paralegals emphasis on practical skills how law firms function assessing cases for settlement value investigating claims billing hours evaluating insurance and more one hypothetical case runs throughout the text provides continuity to the material coherent framework for illustrating various points forms and court documents related to this case in the appendix well-developed pedagogy chapter objectives open each chapter "Issue at a Glance" summarizes important legal concepts marginal definitions numerous figures, tables, diagrams, examples and illustrations case excerpts that discuss legal theory and practical applications "Skills You Need in the Real World" "Life of a Paralegal" Web sites for gathering more information Key Terms, Review Questions, and "Applying What You Have Learned" exercises ethical issues highlighted, with separate section on ethics at the end of each chapter Thoroughly updated, the revised Fourth Edition presents: ; new Tech Topics in every chapter highlighting new technological applications in tort law additional case excerpts at the end of each chapter crossword puzzles for review all relevant changes in the law

## Customer Reviews

When I bought it, it was in perfect condition. I'm still in the process of reading it but I love it already, very interesting and beneficial to my field of study.

Great textbook very informative in law.

Came brand new great deal.

I was expecting it to be lightly used, however its brand new! What a steal. Came earlier than I expected it to.

The book was in new condition. If it weren't for the "used" sticker wrapping around the bottom corner, I wouldn't have known it was used. This particular law series for paralegals is excellent.

Book was in new conditirion !!!! Very pleased...
