# Eyelike Stickers: Easter

## Synopsis

Perfect for the holiday where sitting down to decorate is a beloved ritual comes a new addition to the bestselling series with over 1 million copies in print. Packed with 400 full-color Easter- and spring-themed stickers, EyeLike Stickers: Easter belongs in every Easter basket and every crafter's stash. The high-quality, photographic images are amazingly lifelike in color and detail. The durable, reusable stickers are designed to be stuck on and peeled off over and over again without losing adhesive. Fuzzy chicks and bouncy bunnies. Jelly beans, springtime flowers, pretty painted eggs, and wobbly-legged lambs. Use them to decorate notebooks, cards, scrapbooks, crafts, party invitations or create a lively scene on the book's inside covers •which double as a glossy illustrated background. Then change it up when the mood strikes.

These books have a ridiculously massive amount of stickers with a great variety. They are also

color coordinated, so you can have a blue (green, pink, yellow, etc) page full of stickers. Would recommend this for kids who love to do arts and crafts.

Agree with one of the other reviewers... Nice stickers but they are just regular stickers, not reusable. Also they are a bit hard to peel off.

Beautiful stickers! I agree with other reviewers that they are tricky to peel back off once you have applied them to the picture background, but I guess you could technically call them "reusable". There are SO many stickers that can't possibly fit on the background, but they would be excellent to use in other art projects such as card-making. Great stickers at a very nice price :)

Wish I could give this 10 stars. This is an amazing value. Way more stickers than one would expect for the price and they are awesome!!!!

I got this for my 10 year old daughter at Easter. She loves it. She says it has a ton of great stickers and that is has been fun to play with. The stickers are easy to reuse so she can keep making different scenes in the book.

So cute and very much worth getting. There are two pages dedicated to a specific color| Such as pink, blue, orange, etc. Contains a lot of stickers

So many great stickers! Like most stickers they won't be reusable from every surface that kids find to put them on. But they're durable stickers so they don't tear as easily as some, they're bright and colorful, and so many! This has and will last us a while, even for a toddler who goes through stickers quickly.

these are great books for children the pictures are beautiful and most are easy to remove
