Mon Cher Eclair: And Other Beautiful Pastries, Including Cream Puffs, Profiteroles, And Gougeres

Synopsis

Taking the love of French pastries into the kitchen, *Mon Cher Éclair* shows how rewarding it is to make these delectable treats at home. Using just a couple of simple techniques, home cooks can easily master the basic recipe for pâte à choux dough and use it to make beautiful éclairs with modern flavor combinations such as butterscotch-bourbon or Meyer lemon cream. The dough is also the base for an array of profiteroles and cream puffs, which make great appetizers and desserts. With more than 40 recipes ranging from traditional to trendy, savory to sweet, rustic to artistic, this small cookbook will make home cooks look like a very big deal.

Charity Ferreira is a food writer and recipe developer. She lives in Oakland, California. Joseph De Leo is a San Francisco based photographer.

This book is beautifully photographed and makes you hungry to just look at each recipe. These bring back memories of my mothers eclairs. What is nice is that these can be made any size and can be made ahead and frozen and easily thawed. They even have tiny versions filled with ice cream if you prefer that to the traditional cream filling. A wonderful addition to anyone's cookbook library who loves deserts.

A beautiful book full of inspiring and easy to follow recipes for eclairs, profiteroles and gougères! Has all the standards like vanilla and chocolate, but also some fun and sophisticated options like

Tahini-Chocolate, Butterscotch Bourbon, Kaffir Lime, Strawberry Amaretto, Matcha Chocolate, and Blackberry Mascarpone. Can't wait to try them all!

Wonderful and easy!

love a new cookbook and can't beat eclairs
