# Fighting Sail On Lake Huron And Georgian Bay: The War Of 1812 And Its Aftermath

## Synopsis

Canadian Barry Gough's new work makes an important and long-awaited contribution to our understanding of the struggle for domination in the Upper Great Lakes and the American heartland during the War of 1812. A critical time for both the old northwest and the peoples who lived along the U.S.-Canadian border, it was also a time when the territories that became Wisconsin and Minnesota were formed, the fur trade was established, and the Indian nations attempted to preserve both their homeland and their independence. It is a unique study in that it goes far beyond the Battle of Lake Erie, where traditional historical accounts end, adding new chapters to the history of Detroit and Michilimackinac. This comprehensive, chronological account exposes the reader not only to the naval and territorial consequences of the era but also to the plight along the way. It is the story of shipbuilding, of the limits of sea power, and of the men and women who succeeded in traversing unknown water and land. The author details such events as Commodore Arthur Sinclair's disastrous U.S. naval expedition to Lake Huron and Georgian Bay in 1814 and describes how British forces captured unsuspecting U.S. naval schooners. Supplemented with excellent maps and illustrations, the text also provides information about hydrographic surveying and the search for useful naval bases. This book will appeal to everyone interested in the age of fighting sail, Native American history, and early American naval pursuits.

## Book Information

Hardcover: 215 pages

Publisher: US Naval Institute Press; 2nd prt. edition (May 1, 2002)

Language: English

ISBN-10: 1557503141

ISBN-13: 978-1557503145

Product Dimensions: 9.4 x 6.2 x 1 inches

Shipping Weight: 1.2 pounds

Best Sellers Rank: #875,194 in Books (See Top 100 in Books) #125 in Books > History > Military > War of 1812 #1768 in Books > History > Military > Naval #38982 in Books > History > Americas > United States

## Customer Reviews

"...a fine study, filled with details, personalities, and events that bring an era and its people to life." --  
The International History Review, December 2003

The extent of sea power on the interior Great Lakes, the ebb and flow of the fighting around and thereon, and how the struggle between the Americans and British ultimately shaped the boundaries of the USA and Canada, are dramatically captured in Barry Gough's excellent work. "Fighting Sail on Lake Huron and Georgian Bay" ably presents the little-known campaign---a campaign that greatly intensified after the battles for Lakes Champlain and Erie. Recommended for those who want to know more about the War of 1812 on the northern waters.
