For The Love Of God And People: A Philosophy Of Jewish Law

Synopsis

Every generation of Jews in every denomination of Judaism finds itself facing complex legal questions. The status of same-sex unions and the plight of the agunah (a woman who cannot obtain a divorce), are just two of a myriad of thorny questions Jewish legal experts grapple with today. These are not esoteric problems but issues with a profound impact on the daily happiness of countless people. How do the rabbis who draft responses to these questions reach their conclusions? What informs their decisions and their approach to Jewish law? Acclaimed writer and legal expert Elliot Dorff addresses these and other questions in this intelligent, accessible guide to the philosophy behind Jewish law. In his view, Jewish law is an expression of the love we have for God and for our fellow human beings. This theme permeates his discussion of important aspects of the law. For example, what motivates modern Jews to follow Jewish law? How does Jewish law strike the balance between continuity and change? On what grounds and under what circumstances do human beings have the authority to interpret or even change God's laws? Dorff also offers a systematic comparison of Jewish law and U.S. law, based on his course on this subject at UCLA School of Law. Whether you are a lawyer or simply interested in the philosophy behind recent rabbinic decisions, this is a book that will deepen your understanding of the Jewish legal system and its role in the modern world.

Book Information

Hardcover: 296 pages

Publisher: The Jewish Publication Society (December 1, 2007)

Language: English

Customer Reviews

"This is obviously the most significant book of the year for Conservative Jews. But, going further, I think it is a must-read for any Jew who takes his/her relationship to Jewish law seriously." "Jewish

Herald-Voice (Jewish Herald-Voice)"This book is a serious attempt by a serious scholar to address contemporary issues facing Conservative Jews."â "Jewish Book World (Jewish Book World)

"This book is a serious attempt by a serious scholar to address contemporary issues facing Conservative Jews."

Well-written and well-conceived appreciation of the questions facing Israeli life today. THIS IS NOT A HISTORY NOR SHOULD IT BE CONSIDERED AS SUCH. It is a fair and balanced appreciation of the major events in Israel. This book is more important for the questions it raises and the environment it provides for discussion among passionate critics of the government of Israel and defenders of governmental Israeli policies.
