Customer Reviews

This engaging guide conveys the charm and allure of more than one hundred exceptional gardens in New England - Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, and Connecticut. Included are intimate cottage gardens, peaceful woodland sanctuaries, and classic formal gardens on a grand scale. Authors Marina Harrison and Lucy D. Rosenfeld take you through the garden gate and show you the features that make each garden a treasure. Every gardenwalk write-up includes practical information that serves as a trip-planning tool, whether for a weeklong vacation or an afternoon stroll. Also included are essays on garden styles and an extensive cross-reference to help you choose a gardenwalk by garden style or tradition. You will discover: Eccentric, personal gardens Landscapes of traditional formal elegance Nature and wildflower preserves Sculpture gardens Conservatories and indoor gardens Specialty and theme gardens, such as a peony garden Gardens in exceptional settings Intriguing private gardens that are open to visitors

Lifelong friends and travel guidebook writers Marina Harrison and Lucy D. Rosenfeld have collaborated on six books together.

This is a terrific book. It tells you what different gardens specialize in, so I can plan my lilac and peony road trip, only going where there are lots of species of each.

Like gardens and landscapes? Live in or planning to visit New England. here is an excellent place to start your journey.

This book is a guide book for touring selected New England gardens. The text gives the address, admission and a description of each of the gardens. No photos (disappointing) in this book. If you live in or are going to visit New England, a decent guide to gardens based on location.

We've visited many of these gardens, and this book is invaluable in choosing where to go and has all of the information needed to plan our visits.
