just what I needed,

I am very happy with this purchase-good size, sturdy and most of all helps me at work.

Excellent

It was exactly what I wanted.

Perfect for using in the studio!

This has far more information about color matching on the wheel than I expected. Very nice sturdy product, and it has a permanent place in my sewing case when I travel and shop for fabric.

This color wheel is a great help in choosing colors for quilts.

This is the best color wheel I have ever had ( I have three others).
