This book is an awesome pick for any individual who might loves to have an incredible snicker. This is the funniest book I've ever read, while reading it I can't stop laughing alone in my room because of this book. I recommend this to those who want to relieve their stress by entertaining themselves while reading a funny book.

WOW! I just had a gala time reading this awesome book, the jokes are so funny that I still laugh when reminding few of them. And the best part is it contains not only little jokes but short stories, adult jokes and so on. This book made my day. I highly recommend this book to anyone who loves to crack jokes, very useful in your family and friends time. High five to the author!

I enjoyed both jokes and tongue twisters. Some of the jokes are definitely not for kids.Happy Reading. I don't like quotas.

Finally a joke book for adults! I love a good joke, especially when my friends come over at the weekend but find most of the books are catered towards children. They aren't ruse sexually explicit jokes too- just good all around jokes to share with the family.

Laughter is indeed the best medicine especially when you are not in mood. I had some trouble with my sister which ruined my day. I got this book just in time. I enjoyed it and had a great time reading each short story. They are best jokes ever.
