Code Check Commercial: An Illustrated Guide To Commercial Building Codes

Synopsis

Code Check Commercial is a field guide for code issues commonly encountered in the construction of retail stores, offices, warehouses, health services' locations, schools, service stations, hotels, restaurants, apartments, and condos. Using clear language and informative diagrams, Code Check Commercial is based on the 2009 International and Uniform Codes and the 2009 National Electrical Code. The spiral-bound Code Check series emphasizes the central safety principles that underlie building codes. With durable laminated pages, it is designed to be used on-site for quick reference.

Customer Reviews

Redwood Kardon, who devised and wrote the first "Code Check," is a former electrician and building inspector for the city of Oakland, CA. Coauthor Douglas Hansen is a general contractor and certified combination inspector with over 30 years of field experience. Both authors present seminars and classes nationwide on a wide variety of building topics. Paddy Morrissey, former senior illustrator of CornerHardware.com, has been the sole illustrator for the "Code Check" series since its inception.

FAIR PRICE and FABULOUS SHIPPING the REASON we use

Very useful

Not as informative as hoped - it's vague in places but a decent thing to have around if you're doing a little commercial remodel.

Great for quick reference

Great tool for checking drawings and referencing the code.

just okay, but needs more current code & ada

This booklet is easy to follow and is a must for anyone wanting to provide a finished product knowing it meets the required standards and is safe

Very useful item, but not complete enough for me.
