Best Sellers Rank: #2,169,350 in Books (See Top 100 in Books) #83 in Books > Crafts, Hobbies & Home > Gardening & Landscape Design > By Region > Middle Atlantic #263 in Books > Crafts, Hobbies & Home > Gardening & Landscape Design > By Region > South #1519 in Books > Crafts, Hobbies & Home > Gardening & Landscape Design > Reference

Customer Reviews

A good guide for best trees, etc. I still read it after some years. And will plant by the suggestions next year.

Having just moved to the Chesapeake Bay/Maryland area from the Northeast I wanted ideas on just what types of plants to incorporate into my landscaping. This is a very nice book - my only complaint is that I wish they used the common names for the plants/trees/bushes instead of the Latin names - had to keep looking back and forth. Other than that, worth buying!

Item just as described fast shipping. Will shop again.
