Samuel Amoo grew up reading and doing research on various health related issues, love and mystery, Christian™s books, Business and investment, Internet marketing, etc. He always dreamed of writing the heart of the general public, to solve their problems, gripping stories in which nothing is what it seems and making research to help humanity. He's hard at work on his next publication in his home office.

Terrible. This stuff in this book is common knowledge. You can get more from you tube then this book
