Customer Reviews

These are "TO DIE FOR" recipes , and believe me I was, after looking through them. I made the muffins you see on the cover,as part of Easter brunch---there were none left and that should tell you how good they were. I paired them with an omelet from THE EGG AND I, which you can find on , and then I added some fruit snacks from Hannie P. Scott's book about Fruit Snacks , also found on . Needless to say, there were NO leftovers, and THAT should tell you something too!!!

I am in love with S. L. Watson's cookbooks! I found several great recipes in this volume as well as the few others that I own. My goal is to have them all! They are reforming my cooking and menu! Thank you! Thank you! Thank you!
