LOVE this book. It is the perfect combination of simple, accessible recipes that perhaps you would have thought of (but didn't), and more sophisticated recipes that are so clearly explained and illustrated that every one makes you think, "I can do that!" I also appreciate that every recipe has an accompanying photo - I'm a very visual person, and these photos will make you drool. This is a must-have cookbook, and would make a great gift!

This book packs a punch! It has great ideas for appetizers for all occasions - coupled with beautiful photography. I love the way it's laid out and organized - including incorporating simple recipes that can be used in multiple dishes! As someone who isn't skilled in the kitchen - the ideas are easy, tasty and a hit. Can't wait to see what the authors cook up next.

LOVE this book! This book is my new go-to and I highly recommend it for those who love to cook and entertain. My favorite part of the book is the beautiful photography. Each recipe has a picture of the final product...this gives me the inspiration of what to create for my dinner guests. This will definitely be under the Christmas tree for many of my family and friends this year!

Great little appetizer book! Lots of terrific ideas!

My husband and I just love this extensive and approachable appetizer cookbook! As someone without a lot of experience or confidence in the kitchen, my husband especially appreciates how easy it is to follow the recipes to create crowd-pleasing apps, every time. Our favorite is the spicy shredded chicken mini tostadas - simple, delicious, and always a bit hit!

Nothing appealed to me.

Quality book

I love this book, I never responded to a dinner party by saying I would bring an appetizer until now! It is an easy, user friendly cookbook that allows you to see which recipes are vegetarian or even gluten free! It is now my go to hostess gift.
