# Real Estate & Property Law For Paralegals, Third Edition (Aspen College)

## Synopsis

Real Estate and Property Law for Paralegals provides a solid foundation in the basics including the practicalities of daily legal work. Its broad coverage of all the key topics that paralegals need to know includes basic elements of real property, different methods used to record and describe property, transfer of title, the rights associated with real estate ownership, elements of real estate contracts, landlord/tenant law, deeds, mortgages, restrictions on land use, title insurance and title examinations, the closing process, and tax implications. Practical skills are emphasized throughout the book so that students will develop a true understanding of what it is like to practice in the real world. An easy-to-read and engaging style utilizes numerous examples and illustrations, always emphasizing the practical nature of real estate law. Each chapter opens with objectives and closes with Key Terms, Review Questions, and Practical Applications exercises. In every chapter, an "Issue at a Glance" box summarizes important legal concepts, and "Skills You Need in the Real World" sections highlight particular paralegal skills. Marginal definitions; numerous figures, tables, and forms; and case excerpts that discuss legal theory and applications round out the significant pedagogy. Additionally, Websites that can help students gather more information are strategically placed. The revised Third Edition provides a wealth of updated forms and cases. New website references make the book current, and fine-tuned text discussions have been expanded where appropriate. A new interactive workbook is available at the website to accompany the book.

## Customer Reviews

fine

This book is in true Kindle form. You can change the font and the size as well as the paper color. You can also take notes and highlight with great ease. Not all text books are truly in kindle form. They work and are kindle compatible but cannot be customized like a true Kindle book. However, this book is the exception. It was 60 dollars cheaper than the hard copy and much easier to carry around.

Textbook was at an amazing price and practically new - even though it was marked used.

Except for how expensive the book is, meets needs.

great e-book option and convenient

good condition and saved me over 100.00!

I was very pleasantly surprised to see that this book was in such great condition. Got them really quickly. I have no complaints. Needed it for school and it was worth the purchase.

very good!
