Best kind of therapy! So relaxing and fun and when finished, it's a beautiful picture. Very professional. The only thing I ever have to say about these sticker books is they don't always cut the stickers that fit the area and I've learned how to trim and patch the empty areas but I do wish the books would watch that. I've completed about 15 books

Great way to pass time. easier than coloring.

Excellent!! Love love love it!!

Terrific and delightful craft project! The pictures are beautiful and the stickers are high-quality and easy to apply. This is a wonderful activity for teens and adults alike, especially as it speaks to the inner child in all of us!
