Customer Reviews

WOW! What an ENDING! I consider myself an avid reader, and a picky one, at that! I rarely just hand out even 4 stars, RARELY 5. would give this book INFINITE STARS if I could!

This book draws you right in from the start. The love & warmth that exists in this somewhat broken family is beautifully portrayed with the mother, wife and grandmother at it's heart. So when Amber enters the picture, chaos ensues. Amber's motives are yet unknown, but the vitriol between the 2 women escalates into an all out war. Very well written and intriguing. The puzzle pieces keep on coming leading up to a crescendo where all is revealed. I very highly reccomend this book. It is the quintessential psychological suspense novel. Hope Slater has some new ones in the works. Love this authot!

I guess that psychological thriller is NOT my genre if that is what this book is. For me there was no "thriller". I kept waiting for something interesting to happen. It never really did. I kept waiting for the book to get better. For me it just didn't. I almost did not bother to finish it. Sorry for the bad review. I just did not care for it.

I read this in a couple of sittings. Haven't read a suspense novel in a while. This one was thoroughly satisfying. I may have suspected there was more at work in the background and there was.

This was a very interesting and compelling story right up to the end. It flowed nicely and the narration was great. I wouldn't call it a blockbuster or one of my favorites but very good!

This story was hard to figure out. Who is the good one? Which one is the liar? Even near the end, when I thought I had it partly figured out, it shocked me. Families can be strange.

This was a quick read for me...Great beginning, different plot and it kept me interested. But...I'm not into spoilers so let's just say I like closure. That's the only reason I didn't get a full 5 stars.

What is going on with Amber and Judi? Or is it, What is going on with Judi and Amber? These questions kept me on the edge of my seat till the very end. I loved it. What a fun read.
