Customer Reviews

I purchased this book for my husband. He has read the majority of western in existence and loves Louis L'Amour. He says he enjoys these because he can sit down and read every evening and have a reason to stop at a reasonable hour. If you are a avid reader you understand that once you start a good book you just can't stop reading until the end. With these he reads a few short stories and calls it good. He has started paraphrasing the stories to our sons 4 and 6 and they are also enjoying these books. He says it is almost always the same story line, but the details are what makes it so interesting.

ok

Nice short stories but when you get into it the story ends - stories are too short !

I enjoyed this collection of short stories immensely. Soon as one ends you can't wait to start on the next one. I especially enjoyed the stories that kept some of the same characters and locations. Great read.

Great read. Good selection of short stories.

I love that I can pick out one of his short stories and by the second line we are into the story. Never wastes our time!

As good as all his other stories.

It is working great
