The Cold Moon: A Lincoln Rhyme Novel (Kathryn Dance Thrillers Book 7)

Synopsis

Lincoln Rhyme, the quadriplegic detective made famous in *The Bone Collector* is back in a thriller from the masterful Jeffery Deaver. When a sadistic killer leaves clocks at his murder scenes, will time run out for the criminologist and his partner Amelia Sachs? On a freezing December night, with a full moon hovering in the black sky over New York City, two people are brutally murdered—the death scenes marked by eerie, matching calling cards: moon-faced clocks investigators fear ticked away the victims' last moments on earth. Renowned criminologist Lincoln Rhyme immediately identifies the clock distributor and has the chilling realization that the killer—who has dubbed himself the Watchmaker—has more murders planned in the hours to come. Rhyme, a quadriplegic long confined to his wheelchair, immediately taps his trusted partner and longtime love, Amelia Sachs, to walk the grid and be his eyes and ears on the street. But Sachs has other commitments now—namely, her first assignment as lead detective on a homicide of her own. As she struggles to balance her pursuit of the infuriatingly elusive Watchmaker with her own case, Sachs unearths shocking revelations about the police force that threaten to undermine her career, her sense of self and her relationship with Rhyme. As the Rhyme-Sachs team shows evidence of fissures, the Watchmaker is methodically stalking his victims and planning a diabolical criminal masterwork...Indeed, the Watchmaker may be the most cunning and mesmerizing villain Rhyme and Sachs have ever encountered.

This is another of Mr Deaver's wonderful Lincoln Rhyme mysteries. Lincoln being the best forensic scientist. Each of his books covers a different problem. I have learned so much from each book. His assistant Amelia is the perfect policewoman and investigator. I also like the fact that Mr Deaver brings other heroes from other books to help each other with their situations. This a series which I find difficult to put down.

Character development was good, interesting story line. Good read. Introduction of Kathryn Dance added a new interesting character. Recommended reading for Lincoln Rhyme fans

Once I read "Empty Chair", I was hooked on Jeffrey Deaver's books. From page 1, I was caught up in the drama and research that you go into criminal investigations. "The Cold Moon" is the latest, but by no means the last of Deaver's books I have read. This book kept me guessing the culprit until the very end, and even then I was wrong, as I was to learn later! Lincoln Rhyme is a quadriplegic, somewhat "retired", who goes over all the details of the crime to come to a conclusion. By details, I really mean details. I give this book 5 stars, and encourage everyone who has an attraction to mysteries to read this book. Warning though: Once you begin the book, it's almost impossible to put down!

Another Lincoln Rhyme book that didn't disappoint. An exceptional, fast-paced ride.

Well written and easy to read and follow with a few twists as well.

He keeps me just in the edge of my chair the whole time I am reading. Thank you for another fine story!

I always like Jeffrey Deaver. Lincoln Rhyme grows on you.

Excellent book by Jeffrey Deaver as expected..
