Grandma Doralee Patinkin's Holiday Cookbook: A Jewish Family's Celebrations

Synopsis

Tony- and Emmy-winning performer Mandy Patinkin has long sung the praises of his mother's cooking, from her famous butter-crisp cookies and irresistible chicken soup with matzo balls to her candied sweet potatoes and delicious Passover nut sponge cake. Following the phenomenal success of her first cookbook, Grandma Doralee Patinkin returns, this time delivering menus for the most special and challenging meals of all - the holidays. Organized by holiday, this book presents complete menus for Rosh Hashanah, Hanukkah, Passover, and other Jewish holidays, as well as Thanksgiving, bridal luncheons, patio suppers, and more. Spanning appetizers, salads, vegetables, entrees, and desserts, and including both buffet and sit-down menus, the recipes reflect traditions that go back many generations, as well as contemporary favorites. Anyone whose holiday memories include delicious homemade potato latkes, noodle kugel, and melt-in-your-mouth rugelach will delight in this homespun and heartfelt collection. --This text refers to an out of print or unavailable edition of this title.

Jewish cookbooks have become a rapidly burgeoning category. Appearing at the beginning of the annual cycle that starts with Rosh Hashanah and Yom Kippur, three of these four new titles focus on Jewish holidays and holy days, while Friedland's concentrates just on the Sabbath. Greene's book, a revision of her 1985 title, is by far the most ambitious of the group, with more than 250 recipes (80 or so entirely new, the others thoroughly revised) for all the major holidays and some minor ones, and including Israel's Independence Day as well as religious celebrations. A cooking

teacher and the longtime food editor of the Baltimore Jewish Times, Greene also offers extensive background on each holiday, and her diverse recipes are from all around the globe. Highly recommended. Recently, a growing number of Jews have found themselves returning to their religious roots and observances they have let lapse, making Friedland's book on celebrating the Sabbath particularly timely. A cookbook editor and author of *The Passover Cookbook*, Friedland presents 175 recipes for the three meals of Shabbat (Friday dinner, Saturday lunch, and the "third meal," marking the end of the Sabbath later on Saturday). Like Greene's, her recipes are international in scope, reflecting both the Ashkenazic and Sephardic heritages, and her text is readable and informative. Recommended for most collections. Brownstein, the former art director of *Good Housekeeping* and *House Beautiful*, offers a lavishly illustrated crafts book with recipes and ideas for the holidays. For each holiday, there is a menu, several crafts projects, and decorating suggestions. Brownstein's approach will not be to everyone's taste (the three sukkahs for Sukkot, for example, include a "fantasy" Penthouse Sukkah, "high-tech and sleek," but the minimatzo vases for the Passover seder are pretty cute). For larger collections. Rubin seems like a nice woman, but would her cookbooks have been published if she weren't actor/singer Mandy Patinkin's mother? Her second book, which opens with "testimonials" from grandchildren and other family members, includes recipes for Thanksgiving, a bridal luncheon, and a barbecue as well as for four major Jewish holidays. The recipes are simple, and many of them rely on convenience foods; some have little to do with traditional Jewish holiday cooking (the buffet menu includes Mexicali Layered Dip and two shellfish dishes). Only for collections where Rubin's *Grandma Doralee Patinkin's Jewish Family Cookbook* is popular. Copyright 1999 Reed Business Information, Inc.

Book arrived in great shape, 10 days sooner than expected. While I wish there were more recipes in the book, I can use the book for simple tweaks on traditional dishes. Good overall purchase experience.

Mandy patankin was great in this cook book on his added comments on his grand mother always

I love this cookbook! I'm biased because she's my grandmother, though...

Great cookbook!

for a host, great and good experience. very recommend. Great product! Cuts vegetables like butter. fast and in time,

What a wonderful book. Recipes just like the ones I grew up with. I even gave them as holiday gifts. Books like these remind us that family memories follow us through our lives in our minds as well as at the dinner table and that we should gather these dishes in writing and hold them dear. This book is a treasure.

Doralee Patinkin's cookbooks are two of my all-time favorites (and I'm not Jewish, so they should appeal to everyone with taste buds). Every recipe I've tried has been absolutely wonderful. Directions are clear, and each recipe is preceded by a brief description of why it is a favorite. The forward is by actor Mandy Patinkin, and the comments about some recipes include his passion for him. These books are very warmly written, and filled with tried-and-true family favorites which will be just as successful in the readers's homes. Absolutely wonderful!

I made a few dishes for Passover, a lot of the recipes are missing flavor. Some recipes do not have clear instructions, Roasted Chicken has instructions to bake instead of roasting. I am Jewish and my grandma's dishes are way better than Grandma Doralee's dishes, except my grandma cannot seem to give me recipes because she does not measure anything, so every time I follow her directions, the dish turns into a mess. I also did not like that 12 pages of the book are reviews and praises from other people. The book is small as it is, I don't need to spend money on praises. I would not recommend this book. I have to say one thing, her chicken soup is good, but how can you mess that up.
