I loved the recipes and liked the fact that many of the recipes are usable all through the year and are not just for the holidays!!!!

The best Jewish holidays cook book I own! Great recipes and unmistakable flavors.

Love this cookbook! Especially that brisket!

I'm in love with this cookbook. Every recipe is so simple, using ingredients that I mostly already have and produce that is seasonal and fresh. Michal Levison doesn't over complicate anything and the way she writes her recipes is as if she's your good friend telling it to you over the phone. No fuss. But still plenty of flare. It's farm to table with a Mediterranean spin. Beautifully designed pages and I love how each page highlights whether the recipe is gluten free, nut free, parve, egg free, etc...just in case you need that. This is a cookbook that I will treasure for years and is staying on the

top of the pile. A real winner!

I made Michal's brisket for my extended family at our last holiday dinner. It received rave reviews. Do yourself and your guests a favor and buy her cookbook!!!

My friend Michal Dagan Levison is the most multi-talented woman I know, with almost magical skills in the kitchen!! If you would like Michal's miraculous creations on your Holiday tables, then buy her new book causing a great buzz in culinary circles "SEASONED MOMENTS - ROSH HASHANA & YOM KIPPUR, Recipes for a Happy New Year" will tantalize your tastebuds, and wow your guests!!
