Annuals For Ohio

Synopsis

Features over 335 annuals best suited to growing conditions in Ohio. Gardeners will enjoy the more than 400 brilliant full-color photographs in the book. They'll also benefit from the down-to-earth knowledge and extensive experience of Ohio horticulturist and garden designer Debra Knapke and Alison Beck, author of almost two dozen gardening guides. The book includes tips on planting, growing, problems and pests. A Quick Reference Chart provides information at a glance on color, sowing, height, hardiness as well as light and soil requirements.

Average Customer Review: 4.7 out of 5 stars 4 customer reviews

Best Sellers Rank: #1,876,004 in Books (See Top 100 in Books) #66 in [Books > Crafts, Hobbies & Home > Gardening & Landscape Design > Flowers > Annuals](#) #134 in [Books > Crafts, Hobbies & Home > Gardening & Landscape Design > By Region > Midwest](#) #273 in [Books > Crafts, Hobbies & Home > Gardening & Landscape Design > Flowers > Perennials](#)

Customer Reviews

We congratulate the authors on their wonderful work and thank them for sharing their knowledge.

--Inniswood Image, Westerville, OH
The intense interest generated by these books underscores that gardeners in Ohio need and want horticultural information specifically suited to their unique climate and conditions. --Ohio State University Web Garden

DEBRA KNAPKE is a horticulture instructor at Columbus State Community College, where she teaches courses in landscape principles, herbaceous plants and specialty gardens. She also has a garden design consulting business known as "The Garden Sage". Debra is a popular speaker at gardening events in Ohio. She also writes for gardening magazines and is a frequent guest on radio gardening shows. Debra is the author of five Lone Pine gardening books, all geared to gardening in

the Midwest. ALISON BECK is a seasoned gardening writer, with 38 books published to date. She came to the task well trained, with a university degree in Creative Writing and a diploma in horticultural technology. The English-born Beck has been gardening since she was a child. Her writing reflects a talent for practical advice and a passion for gardening.

Have enjoyed all Debra's books - Perrineals, trees, etc. Easy to find plants by name, pictures and explanations.

Excellent book if you are a gardener in Ohio. I recommend.

Interesting & helpful book.

This remarkable reference begins with a five-page guide containing pictures of annuals, in alphabetical order by common name. This is an excellent way to verify just what flower you have in mind. Next come suggestions on planning annual gardens with advice on frost-free dates and sunlight requirements for various annuals. Planting advice and "starting from seed" suggestions lead to chapters on care, and pest control. The first fifty pages alone would be very helpful to most gardeners, but the next 200 or more pages cover each plant in depth, with specific suggestions and LOTS OF BEAUTIFUL COLOR PHOTOS! Just when you think this book couldn't get any better, it finishes with a detailed index and glossary, AND a useful chart section identifying annuals by qualities such as COLOR, HEIGHT, HARDINESS, LIGHT REQUIREMENTS, and SOIL CONDITIONS. This is an extremely user-friendly help for planning your annual gardens.
