I put this in my nephew's Easter basket and he loved it! I am sure he drove his class to tears telling these jokes all day the following Monday. He got such a kick out of this book. He is not into candy but he loves jokes so this was just right for him. Helps with his reading and memory (since his Mom would not let him take the book to school so he had to work at remembering the jokes) A great book!!!

I PURCHASED THIS BOOK OF JOKES FOR MY 10 YEAR OLD GRANDAUGHTER AND SAMPLED THE JOKES BEFORE SHE RECEIVED THE BOOK. THE JOKES ARE FUNNY AND ARE SHORT SO KIDS CAN REMEMBER THEM. THE BOOK IS ORGANIZED IN SECTIONS FOR THE DIFFERENT ANIMALS THAT ARE JOKED ABOUT IN THE BOOK. A FUN BOOK FOR KIDS AND TEENS.

My girls loved this book before we ever bought it. Just the examples listed on the preview page were enough to give them a ton of entertainment. They remembered and re-told the preview jokes before the book ever arrived as a Christmas surprise. Once they got it, my 7 year old sat down and read it like a chapter book. She read some of the jokes to her little sister, and they both laughed and enjoyed it. I like it, as the jokes make sense to little kids. Some joke books make comparisons or refer to things that kids don't understand. Then I have to explain it to them, and by that time, it's not funny to them. These were jokes that they got immediately, because kids know about animals! I highly recommend this book, and we will probably buy other books in this series.

More Laugh Out Loud Jokes for Kids is great fun Q&A style jokes for kids. Like the previous book, this volume focuses primarily on the Q&A style jokes. There are two random pages of tongue twisters dotted in, and the remainder of the book is in Q&A style. I was hoping to see some "punchline story jokes" in here (such as the "two ducks walk into a store" type jokes), but sadly there are none. There are no large illustrations in the book either, so this volume is pure joke fun. My kid comedian had a blast staying up late poring over this book with his cousin, and the jokes were simple enough for younger kids to get. Overall, this is a fun second volume in the Laugh Out Loud

Jokes for Kids books. It's a great book for any kid comedian.

If you are an adult, you won't be able to stand these jokes, but my teen-age grandson loved it! He said he was going to remember some of them so he could tell them at school. If you buy this for you kids or grandkids, they will most likely love it, but beware: they will drive you crazy reading them to you!

Fun, imaginative jokes for kids that they will get plenty of laughs from. You will find your kids sharing them frequently with you and friends. The jokes are well organized and spaced and will be easy reading. Another comparable newer kids joke book you may like that connects jokes with fun, interesting facts and will help them laugh AND learn at the same time is "Laugh and Learn Kids' Jokes: Over 300 Hilarious Jokes and Fascinating Facts"Â Laugh and Learn Kids' Jokes: Over 300 Hilarious Jokes and Fascinating Facts

Read through several pages & none of us laughed! I have a very silly personality & literal sense of humor, so I can't believe I didn't laugh once.

My husband loves these books! Sometimes he has a hard time talking to our great grandchildren & this book just kept them laughing & bonding!
