## Synopsis

AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS, 2015-2016 Edition inspires readers to join the exciting process of being active, informed citizens. Unbiased, concisely organized, and updated with Election 2014 coverage, the book's fundamental theme continues to be the importance of participating in active citizenship, emphasizing critical thinking about political issues and encouraging readers to become involved in the political process. The authors incorporate compelling and thought-provoking current examples to stimulate learning and excitement. MindTap, for Bardes, Shelley, and Schmidt's AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS-Cengage Learning's fully online learning solution-is automatically included with this text.

"The book generally does a nice job with useful pictures, charts, graphs, etc. These should help visual learners grasp some important concepts and drive home key issues." "A real strength is how the Learning Outcomes are noted not only at the front of the chapter but on the page where the information is provided. I think this book's descriptions about the difference in direct democracy and a democratic republic are the most understandable for students of any text I've read."

Barbara A. Bardes is professor emerita of political science at the University of Cincinnati. She

received her B.A. and M.A. from Kent State University and her Ph.D. from the University of Cincinnati. She served as a faculty member in political science and dean of Mundelein College at Loyola University of Chicago. In 1993, she was appointed dean of Raymond Walters College of the University of Cincinnati, where she served until 2003. She returned to the political science department where she held the position of graduate director before retiring. Bardes has written articles on public and foreign policy, and women and politics. She also has co-authored *Declarations of Independence: Women and Political Power in 19th Century American Novels*; *Thinking About Public Policy*; *Public Opinion: Measuring the American Mind*; and *American Government and Politics Today*. Mack C. Shelley, II is a professor of political science and statistics at Iowa State University. After receiving his bachelor's degree from American University in Washington, DC, he went on to graduate studies at the University of Wisconsin at Madison, where he received a master's degree in economics and a Ph.D. in political science. He arrived at Iowa State in 1979. From 1993 to 2002, he served as elected co-editor of the *Policy Studies Journal*. Shelley has also published numerous articles, books, and monographs on public policy, including *The Permanent Majority: The Conservative Coalition in the United States Congress*; *Biotechnology And The Research Enterprise: A Guide to the Literature* (with William F. Woodman and Brian J. Reichel); *American Public Policy: The Contemporary Agenda* (with Steven G. Koven and Bert E. Swanson); and *Quality Research in Literacy and Science Education: International Perspectives and Gold Standards* (with Larry Yore and Brian Hand). Steffen W. Schmidt is a professor of political science at Iowa State University. He grew up in Colombia, South America, and has studied in Colombia, Switzerland, and France. He is a pioneer in the use of web-based and real-time video courses and is a member of the American Political Science Association's section on Computers and Multimedia. He is known as "Dr. Politics" for his extensive commentary on U.S. politics in U.S. and international media. He is a weekly blogger for Gannett, and comments on CNN en Espanol and Univision, as well as WNYC, New York. Dr. Schmidt is on Facebook (Steffen W Schmidt) and Twitter (DrPolitics).

Mindtap access code not included.

No access card, thanks for the false advertisement

The product did not include an access code. Also the textbook description says there are 632 pages total. However my book only goes up to page 492. Don't waste your money on this rip-off. You're better off buying the 2015-2016 edition since it's the same money and includes everything this book was missing.

If you don't need to purchase books this is the best alternative. Great way to get your books. Highly recommend it.

This book was okay until I realized it had SEVERAL pages missing. Over 10 pages missing, which is NOT okay. I didn't care that there were highlights areas or writing much but the missing pages is affecting my grade because I do not have the necessary information to finish my assignments. Books should be thoroughly checked. This is not okay. Attached is an example of a page that's missing 3 pages in a row

Had pages that were written on and a page that was loose

Using this textbook for a government course. Having little knowledge of our three branches of government, the history of the Constitution, and the effects of American non-participation, this textbook is an eye opener

Great product!
