"Team Virkler has made dream interpretation easy. No more 'pizza dreams.' Only messages from God!"-- Sid Roth, Host of *It's Supernatural!* From the Foreword: "Charity does an excellent job of walking the reader through the various kinds of dreams that one may have from the Lord. She gives many examples both from her own dream experience, and from

those of her students, as she has taught and worked with this material for many years. I strongly encourage you to read this book.â Read it carefully, as a new adventure into the promises of God and into new experiences with God. I was greatly challenged by *Hearing God Through Your Dreams*,â and motivated to focus in again on the importance of dreams from the Lord. I am asking God in faith to speak to me more than ever in dreams and revelations in the night. And do you know what...? He's doing it!!"-- Dr. John Arnott,â *Catch the Fire / Partners in Harvest* From the Foreword: "Hearing God Through Your Dreamsâ combines the genius of science, study of brainwave activity, quantum physics and so much more.â Charity picks up where I leave off and my ceiling has become her floor!â In the true culture of honor she builds on the teachings of her father, myself and others, and adds revelation the Holy Spirit has given to her that is full of truth, intrigue, insight and also challenge. Don't you like a challenge? I trust you will be impacted, educated and inspired by this next generation revelatory voice!"-- Dr. James W. Goll,â Author of *Dream Language* "We strongly recommend this well-written and comprehensive Christian dream interpretation resource for all believers."-- Adam F. Thompson and Adrian Beale,â Authors of *The Divinity Code*â "Hearing God Through Your Dreams opens up a realm of blessing to you regarding the significance of dreams, their connection to the supernatural dimensions of the Kingdom of God, and their ability to reveal the heart and message of God."-- Patricia King,â Founder - Patricia King Ministries "Easy and interesting reading, great teachings, all coupled with thorough dream interpretation. I love it! This book will remain as a primary reference book for me for my own dream interpretations for years to come! Get this one. You're going to need it!"â -- Steve Shultz, Founder - THE ELIJAH LISTâ "I heartily recommendâ *Hearing God Through Your Dreams*â as an excellent resource that will open up and explain entirely new dimensions of experiencing God."-- Phil Mason,â Author ofâ *Quantum Glory: The Science of Heaven Invading Earth* "What a terrific list they supply of the most significant moments from the Bible that you may not have even realized happened in dreams! If God places so much importance on this as a method of communication, shouldn't we?"-- Cheryl McKay,â Screenwriter -â *The Ultimate Gift*,â Author -â *Finally the Bride*

This book opened up a realm of intimacy that I never knew was available in my 30 plus years of being born again! I've had vivid 'God dreams' over the years, but they were few and far between. I took 14 days to read this book and recorded dreams 12 of the days and the other 2 days I had to learn the lesson that if you don't jot down a note or two, you will forget the dream! Before reading this book, I rarely remembered any dreams, So sad! What a wonderful way to open up the realm of hearing God speak!!! Each dream spoke a message to my heart!!! Read this book with expectancy! You won't be disappointed!!!

This was such a wonderful book. I cannot wait to go to sleep at night. I love receiving intimate messages from the Father as I sleep and revelation from Holy Spirit while I'm awake. We commune all day!! Thank you for sharing this with us, it has changed my life!!

Extremely helpful in understanding dreams! Thank you! I have learned so much about my dreams and listening to God!

Excellent in depth teaching on the importance of dreams and how to interpret them.

This book answered many questions I have always had regarding God's dream talk to me. Yes, I highly recommend this book.

This was a practical book grounded in Scripture. If ever you wanted a systematic way to interpret dreams through the Holy Spirit, this is the book for you.

SO FAR SO GOOD. I WAS UP @ 1:30 AM TRYING TO FOCUS MY EYES TO READ LOL

Excellent book. I am starting in these realm of prophetic dreams and is just a blessing to have a book that will guide you understanding this awesome move from God in our lives.
