A classic by Charles Tebbetts. As a professional Hypnotist, I tell my clients that want to know more about Hypnosis to read Charles Tebbetts "Self Hypnosis". Well done Charles Tebbetts you left a classic for generations to read!

Small book with a lot of material coverage. The author has passed away, but the book explained in great detail how to use self-hypnosis.

Great book! Full of topics with good patterns. I enjoy adding books such as this to my library. I would definitely pick it up.
