A Still, Small Voice: A Psychic's Guide To Awakening Intuition

Synopsis

In A Still, Small Voice, famed psychic Echo Bodine turns to a subject she knows deeply and is passionate about: intuition. Using humorous anecdotes and a positive, readable style, this sequel to Echoes of the Soul explores what intuition is, where itâ [™]s located, what it sounds like, and how to cultivate it. The author, who comes from a family of psychics, exposes the various internalized voices that can mask oneâ [™]s intuition. These include the voices of parents, grandparents, peers, therapists, significant others, religious figures, and society, along with such emotions as anger, fear, guilt, and despair. The book challenges the notions that psychic abilities and intuition are the same or that they are in some way suspect. One chapter is devoted to the many practical benefits that come from listening to intuition; another looks at the “faith-building timesâ • in life and how to cope with othersâ [™] negative reactions to oneâ [™]s setting off on a spiritual path.

Customer Reviews

Although Echo Bodine has enjoyed her work as a professional psychic, she began to feel that her services might be misleading people to look outside of themselves instead of within themselves for answers and guidance. A Small, Still Voice is her response to that concern, in which she sets out to help readers develop and hear their own "small, still voice" of intuition--a voice that Bodine believes is really the sound of God's guidance. Count on the same uncomplicated and clear narration that is a trademark of Bodine's earlier books (Echoes of the Soul, Relax, It's Only a Ghost). The main complaint here is that the structure of the book seems slightly cockeyed. In the beginning chapters,

Bodine advises readers to listen to their inner voice (that comes from the gut--not the head) when answering personal questions on health, relationships, and finances. Yet, Bodine doesn't teach readers how to hear and interpret this inner voice until midway through the book (in the chapter titled "Living by a Small, Still Voice"). Bodine does offer an interesting early chapter that lists questions best answered by one's own intuition and questions best answered by a psychic. For example, ask yourself the question "Will I marry the man I'm engaged to?" But ask a psychic "Will you please connect with my soul and find out what my purpose for being here is?" Bodine promises great returns on efforts to strengthen and follow one's inner voice--and her inspirational writing makes it hard not to believe her. --Gail Hudson

Psychic Echo Bodine (Echoes of the Soul), who has appeared on Sally Jessy Raphael and other TV shows, offers a light, friendly introduction to the power of intuition in A Still, Small Voice: A Psychic's Guide to Awakening Intuition. Since she was a child, Bodine was encouraged to trust her inner voice: the one, her mother explained, in her gut, not in her mind. But it took years of experience and affirmation to convince Bodine, who considered herself a highly logical person, to follow her intuition. Using anecdotes of her own experiences, Bodine exposes readers to the intuitive power she claims each of them has. 25,000 first printing; \$25,000 ad/promo. Great, love this authors works

I read this book before and decided to download it and read it again. I was able to gleam many more tips. I really enjoy the down to earth way that Echo Bodine writes. I recommend.

Echo is an amazing down to earth author. She is clear and passionate about the soul. She will help those who are hearing of the concept for the first time or someone who is well acquainted with their soul. Thank you Echo for sharing your experiences and knowledge with us.

Love this!

I chose the rating because Echo Bodine is number 1. she is knowledgable and helpful and her books are easy to read and follow. What she writes hits home. Echo's books have changed my life for the better. I recommend any and all of her books for anyone wanting some inspiration, going through a personal transformation, or just need some feel good reading

I have read 2 of Echo Bodine's books and they were both excellent.

This book is helping me to enjoy living life one day at a time. What a blessing to anyone who reads it!

Quick read and great reminder of the wealth of information we have available to us through our own intuition. Looking forward to reading more books by Echo.
