Edgar Cayce On The Akashic Records: The Book Of Life

Synopsis

This book describes the Akashic Records, the source from which Edgar Cayce received many of his remarkable insights. Also known as the Book of Life, the Akashic Records is the storehouse of all information -- every word, deed, feeling, thought, and intent -- for every individual who has ever lived upon the earth. Todeschi explains how each of us can access our own Book of Life to learn about our past, present, and future.

Kevin J. Todeschi, an international spokesperson for the Association for Research and Enlightenment, Inc., has been a student and a teacher of the Edgar Cayce information for more than twenty years. He is a prolific writer, and his published works include Edgar Cayce on Reincarnation and Family Karma, The Best Dream Book Ever, and Edgar Cayce's Twelve Lessons in Personal Spirituality. The latter, which presents an overview of Cayce's material on spiritual growth, received a "highly recommended" rating from the Library Journal.

Most anything from the folks in Virginia Beach is excellent. I am enjoying the Akashic Records based on Edgar Cayce readings. It answers a lot of questions of why things happen the way they do and guide us in a more calm response to questionable events in our lives.

Edgar Cayce was such an interesting and prophetic man. At times I have struggled to fully

understand his writings. This is written in a way that makes it easy for the reader to grasp.
Informative and enjoyable read.

This book covers so much MORE than the Akashic Records. It's one of those books where you can read a single page and then stop and let it digest for a while. It's chock full of truth and wisdom. This is the best Edgar Cayce book I've read, with the exception of Angels, Archangels, and Unseen Forces. I would definitely recommend this book.

Edgar Cayce, to the best of my knowledge, was the most accurate prophet of the 20th century. Widely known as "The Sleeping Prophet", he was credited with helping well over ten thousand people from throughout the world. For his patients, which he referred to as "entities", and often at no expense to them, he obtained remarkably accurate diagnoses of complex organic (biological) diseases. Furthermore, for those "entities" requesting personal guidance, he procured successful resolution of their most troublesome psychological problems and inter-personal conflicts by traveling in his spirit to the other-dimensional location of the entity's "Book of Life", a massively detailed record of the life of each and every human soul/spirit that has ever existed on our Earth. What surprised me the most, and what came to me as welcomed and softly presented aspects of our reality, were the factual presentation of reincarnation of every single human spirit, and the fact that each us, as human entities, owns the ability to develop skills necessary to read these records. According to Cayce, every human entity that has ever been born possesses the neurological capacity to help himself/herself and others by exercising specific meditative practices AND having a sincere, heart-felt, desire to help others (or ourselves for the purpose of helping others). In other words, we will not meet with meditative successes by seeking personal/economic gain, but by our DESIRE and our INTENTION to help our fellow entities (human beings). Mistakes, according to Cayce's view of the universe, if the consequence of acts done with the intention of helping others before ourselves, are not punished by God. Also, we human entities are but single manifestations of individual spirits that have incarnated many human bodies for the purpose of evolving ourselves (improving ourselves) because of our subconscious desire to be perfected companions for God for all eternity. These concepts and facts are but a tiny portion of the remarkable whole that is "Edgar Cayce on the Akashic Records". Download the Kindle version now, open the file on your iPad or

Kindle device, and immediately benefit from the wisdom and factual information that is the golden treasure of this remarkable and easy read. This is a valuable book written for people of all religions or no religion, and I found not one single offensive word from beginning to end. Download it NOW or have it delivered to your doors for a minuscule fee. NM, Atlanta, Georgia

Found this publication to refresh things I have discovered in my personal life and to refocus on the positive in whole. It also reaffirmed my spiritual and personal religious beliefs. I am open to new training of the spirit and hope to at least glimpse the Akashic Records. E H. Cincinnati, Oh.

Another book I really enjoyed reading. Thank you
