Customer Reviews

The jokes were funny, but not so that I laughed my %#\$ off. (Not really but you know what I mean.) They were just... OK. Some of them were repeated from the first 2 books, which I obviously didn't like. Some seemed so fake. Like the bag joke. The topics seemed to always be something normal people didn't usually discuss. Jokes were copied from the original one with the same pun. Overall, this book was just OK. Like I said. I wouldn't really recommend it.
