Legal Drafting (Coursebook)

Synopsis

This dynamic paperback text presents a highly effective, classroom-tested process for legal drafting. Prepared with this practical strategy, students will move beyond merely filling in the blanks to create the customized documents clients need, and adapt preexisting forms to new uses. Divided into two parts, the text first introduces the process approach to legal drafting before applying that approach to particular types of documents. This two-part organization easily adapts to your specific course needs and gives you great flexibility in choosing and combining chapters. The book's seven chapters cover an introduction to legal drafting, the process of legal drafting, careful writing, and drafting estate planning, contracts, pleadings, and legislation. In addition, numerous examples, illustrations, and exercises in every chapter reinforce the skills your students need to draft provisions from scratch, edit existing provisions, and create entirely new documents. Each substantive chapter concludes with a document, annotated with editorial comments that illustrates the drafting process.

Book Information

Series: Coursebook

Paperback: 379 pages

Publisher: Aspen Publishers; Teacher ed. edition (June 1, 1994)

Language: English

ISBN-10: 0735516936

Customer Reviews

Great source of drafting. Great explanations and examples throughout. Covers Contracts and Estates drafting with instructions on how to improve overall legal drafting skills.

Service was fast and it got the job done.

Book was in great condition. Very happy with the purchase. Use it for semester and still use it as a reference

Book arrived on time - and was a great deal. Clean copy - no writing or pages missing. Cover in excellent condition. Thanks!
