2015 International Fire Code

Synopsis

Get up-to-date on the critical regulations governing the safeguarding of life and property from all types of fire and explosion hazards with the 2015 INTERNATIONAL FIRE CODE SOFT COVER. This resource is the ultimate reference guide for addressing fire safety in both new and existing buildings. Using prescriptive- and performance- based approaches, this guide includes coverage of general precautions against fire, emergency planning and preparedness, fire department access, fire hydrants, automatic sprinkler systems, fire alarm systems, and hazardous materials storage and use. This updated code edited sections like Section 910 which was heavily revised to address overall smoke removal and mechanical smoke removal requirements have been revised and clarified. A new Section 915 replaces and greatly expands upon former Section 908.7 on Carbon Monoxide detection and alarm requirements.

Book Information

Customer Reviews

ICC is a leading organization dedicated to developing a single set of comprehensive, coordinated national model construction codes. To date, 48 U.S. states have adopted various international codes from ICC.

This is a great very helpful book. My only issue is that it did not come with a binder. I also order the

IBC loose leaf and it DID come with a binder and labels. I am wondering if this was suppose to come with a binder or not. I have never ordered a loose leaf that didn't come with a binder as well.

Needed for business. Good if you like codes. Very goof sleeping aid

Wish i could give a 0 star rating... I recieved my order in the mail today. opened the box to an empty binder. No Loose Leaf pages were included at all. I just \$130 for an empty binder!

This was unbound, punched for 3 ring binder. If this was described I overlooked it.

Condition was great, as expected.

Book is designed very well and is fairly easy to use. I started this journey not having a clue and because of this book gained a lot of knowledge very quickly and easily

The 2015 IFC is very easy to read, I am very pleased with it.
