Baking Bad: A Parody In A Cookbook

Synopsis

What do you do when the greatest TV show ever has come to an end and you no longer have ground-breaking, meth-related drama to get you through the long winter nights? Answer: you create a cookbook full of baked delights, each made in loving reference to the story of our favorite chemistry teacher-turned drug-baron. Baking Bad is a recipe book full of real, edible recipes created in homage to the TV series that we STILL can't stop talking about. From "Ricin Krispie Squares" to Walt's signature "Buried Barrel Dessert," each of these recipes is 98% pure and 100% edible and delicious. (No gasmask required.) Baking Bad will make the perfect gift for any fan, or a self-purchase for people who just can't resist one more, tasty, hit. After all, who could turn down "Tighty Whitey Bites," "Box-Cutter Donuts", or "Heisen(Batten) Burg Cake" (complete with black hat). Stylishly designed and illustrated throughout with full-color photos - each page is loaded with visual and textual references that fans will love and offers easy to follow guides to create real, delicious, and inspired treats. As Jesse would say: 'Let's Cook. B****.'

Walter Wheat is a retired Home Ec teacher and one of the greatest bakers in criminal history. Diagnosed with a terminal illness, he discovered a unique ability to produce restaurant-quality cupcakes for the black market. He is almost certainly dead.

This cookbook is hilarious, and good fit a laugh/amusement purposes. The recipes are not generally useful, everyday things a person would want to make, and they are very involved. Someone making

these recipes, would most likely be only doing so for a specific, Breaking Bad themed party or event, not for family dinner. This is alright, since I expected it to be more of a joke, funny book. Get this if you loved BB, and want something silly, and cool to read, a parody that can be used for amusement. Or if you are planning a themed party, and want themed foods.

Simply the best parody cookbook out there. Bought to gift but want to keep. Hilarious. Nothing real exceptional in recipes but each recipe fit the book beautifully. Like that it has both English and metric measurements. Pictures are great. Great quality-made book. Laughs all the way through on EVERY page. Bit pricey new but I bought used and was great value. If you are a fan of the show, you won't be disappointed in this book.

Done. It's over. All you ever need in life is found in this book. Dead. Can't handle this. Seriously made my day ã™ã;

Some of the recipes seemed a bit of a stretch to relate them to the show. Not as funny as other parody recipe books out there.

I haven't tried cooking any of these recipes, but the book was actually very fun to read. Each recipe is a play on the scene from the series. If you are a Breaking Bad fan, you will love this book. If you know someone who is a true Breaking Bad fan, this would be a great gift for them.

If you love the show you will for sure appreciate this book. I was smiling the entire time flipping through it. I probably won't make a whole lot of the recipes but it is a really cool tribute the show...

I bought this for a friend who was a huge Breaking Bad fan. I like the show, and baking. So I found it insanely entertaining. Lots of show references, even within the recipes. Not sure how useful it'll be, but for a fan I'd say it's a must have.

Even if you are not a fan of the television show Breaking Bad, this cookbook is fantastic. The recipes are fun and easily become family favorites. A wonderful gift that will bring laughs across generations.
